Youmin Li
2800 SW Williston Road
Gainesville, FL 32608
liyoumin@ufl.edu

Dear Youmin,

Congratulations! You have been selected to receive a **\$2,500.00** award from the Food and Resource Economics Department for the **Harold B. Clark Award** for the 2026-2027 academic year. This award will be distributed in the Fall 2026 semester.

This is a tremendous honor bestowed on only a few outstanding FRE students. The department expects and requires all recipients to maintain a high level of academic achievement and department service. This represents our investment in your current and future success.

We ask you to submit a thank you letter in a Word document form to the person(s) who provided the funding for the scholarship. Please send this letter to Candace Kaswinkel, Food and Resource Economics, PO Box 110240, Gainesville, FL 32611-0240 or email to ckaswin@ufl.edu as we will forward to the donor on your behalf:

Since we have sent only your name, hometown and major to the donor, it is desired that you incorporate a brief narrative-type resume into your letter. The donor will be interested in your background, your ambitions, etc. Remember that the donor views you as being representative of the student body and above the average since you are a scholarship recipient. This makes it even more important that your letter reflect not only how you want to be perceived by the donor but, also the impression that we want the donor to have about the students in the College and this department.

We will be hosting an awards ceremony on Monday, September 28, 2026 at the UF/IFAS Straughn Professional Development Center located at 2142 Shealy Drive, Gainesville Florida. Please mark your calendar for this event. You are welcome to invite your parents or significant other to this ceremony.

Congratulations again!

Lisa A. House
Chair and Professor
